

**The Premier  
Agri & Food Technology Fair**

4-7 November 2022  
Parade Ground, Chandigarh, India

Confederation of Indian Industry

**Day 1: 4 November 2022**

**1800 – 1930 hrs**

CEO's session on  
**Policy Regulations for Agri & Allied Sectors**  
CII Northern Regional Headquarters, Chandigarh

(Entry by Invitation only)

*Agriculture remains a highly regulated sector in India, with various government agencies having supervisory powers. Regulatory controls are imposed by both central and state governments. Schemes for supporting agriculture are provided at both the central and state level through subsidies for:*

- *Fertilizers*
- *Irrigation water*
- *Power (electricity) used for irrigation and other agricultural purposes.*
- *Seeds*
- *Credit*
- *Export*
- *Crop insurance*

*The session aims at a bilateral talk between industry stalwarts with Government officials on following issues:*

- *Patent Vs Generic molecules in agro chemical industry*
- *Seed Policy of India*
- *Subsidy issues in fertilizer industry*
- *Government schemes & initiatives*
- *Gap between existing & desired policy support*
